AO 2009-15

III. BACKGROUND:

Excessive, Prohibited and Other Impermissible Contributions (Failure to Refund or Redesignate Contributions Designated for an Election That Did Not Occur)

Michael Williams for Congress ("the Committee")¹ reported the receipt of contributions designated for an anticipated 2010 special primary election for the seat of Texas Senator Kay Bailey Hutchison, who was expected to resign, during the 2009-2010 election cycle. Contributions totaling \$458,824.35 from three hundred and ninety-eight (398) individuals, four (4) qualified political committees, three (3) partnerships, two (2) unregistered organizations, and two (2) trusts were not refunded or redesignated after the committee became aware a special election would not occur.² These contributions were disclosed on the 2009 July Quarterly, 2009 October Quarterly, 2009 Year End, and 2010 April Quarterly Reports (Attachment 2).

¹ The Committee was registered under the name Michael Williams for U.S. Senate Committee prior to 6/24/11.

² On April 1, 2010, Senator Kay Bailey Hutchison announced she would not resign her Senate seat.

On April 13, 2009, the Committee filed the 2009 April Quarterly Report covering the period from January 1, 2009 to March 31, 2009 (Image 29020162298). This report disclosed contributions totaling \$165,850.00 from one hundred and twelve (112) individuals, one (1) partnership, and one (1) qualified political committee that were designated for the 2010 Primary Election³ (Attachment 3).

On July 14, 2009, the Committee filed the 2009 July Quarterly Report covering the period from April 1, 2009 to June 30, 2009 (Image 29020252688). This report disclosed contributions totaling \$118,835.00 from one hundred and thirty-one (131) individuals and one (1) unregistered organization that were designated for the 2010 Primary Election (Attachment 3).

On October 13, 2009, the Committee filed the 2009 October Quarterly Report covering the period from July 1, 2009 to September 30, 2009 (Image 29020360086). This report disclosed contributions totaling \$108,000.00 from one hundred and seventeen (117) individuals, two (2) trusts, one (1) partnership, and three (3) qualified political committees that were designated for the 2010 Primary Election (Attachment 3).

On January 27, 2010, the Committee filed an Amended 2009 July Quarterly Report that disclosed an additional contribution of \$2,189.65 from one (1) individual designated for the 2010 Primary Election that was not disclosed on the original report (Image 10020074704, Attachment 3).

On the same date, the Committee filed the 2009 Year End Report covering the period from October 1, 2009 to December 31, 2009 (Image 10020070001). This report disclosed contributions totaling \$39,704.33 from forty-four (44) individuals that were designated for the 2010 Primary Election (Attachment 3).

On April 13, 2010, the Committee filed the 2010 April Quarterly Report covering the period from January 1, 2010 to March 31, 2010 (Image 10020223414). This report disclosed contributions totaling \$24,245.37 from forty-five (45) individuals, one (1) sole proprietorship, and one (1) unregistered organization that were designated for the 2010 Primary Election (Attachment 3).

On June 17, 2011, a Request for Additional Information ("RFAI") was sent to the Committee referencing the Amended 2010 July Quarterly Report, received September 30, 2010. The RFAI noted that the Committee was required to refund or redesignate all 2010 Primary Election contributions within sixty (60) days of April 1, 2010, the date when Senator Kay Bailey Hutchison announced that she would not resign her Senate seat (Image 11330010727).

On July 22, 2011, the Committee filed a Miscellaneous Electronic Submission ("Form 99") in response to the RFAI. Among other points, the Committee indicated that Michael L. Williams ("the Candidate") filed a Statement of Candidacy (FEC Form 2) for

³ The Committee disclosed an election designation "2010 Primary" on their reports for the anticipated 2010 special primary election.

2010 and solicited and raised funds specifically for the anticipated 2010 Texas Senate election. The Committee spent nearly all of the funds in connection with that race before the April 1, 2010 announcement indicating that the election would not occur, and used the remaining funds to remedy obligations from the anticipated election. The Committee maintained that it was permissible to use the contributions received for the anticipated 2010 Texas Senate election to make disbursements and incur obligations for that election up to the date of the announcement, and that the Committee was not required to refund or redesignate these contributions. In part, the Committee stated:

"We respectfully submit, based on our understanding of the appropriate regulatory provisions, the Committee has complied with the Commission's redesignation and refund requirements in conjunction with the Committee's 2010 Senate activity" (Image 11020322140).

The Reports Analysis Division (RAD) sought guidance from the Office of General Counsel (OGC) on this issue on October 25, 2011. OGC presented its recommendation for Commission consideration under FEC Directive No. 69 on Legal Guidance to the Office of Compliance on December 9, 2011. On February 7, 2012, the Commission voted to approve OGC's recommendation that the Committee was required to refund or redesignate the contributions designated for the 2010 Texas Senate Special Election within sixty (60) days of the April 1, 2010 announcement that no special election would occur.⁴

On February 9, 2012, the RAD Analyst attempted to contact Steven Hicks, Committee Treasurer, to notify him of a possible referral of the Committee for further action. The phone number for Mr. Hicks was disconnected. Later that day, RAD Management called Thomas Josefiak, counsel to the Committee, to inform him that OGC recommended and the Commission concurred that the Committee should have refunded or redesignated the contributions within sixty (60) days of the announcement that Senator Hutchison would not vacate her seat. Mr. Josefiak indicated that the previous statement provided for the public record summarized the Committee's position (Attachment 4).

On February 10, 2012, RAD Management was contacted by Mr. Josefiak and Michael Bayes, counsel to the Committee, to explain further that they believe the contributions reported by the Committee for the 2010 Primary Election that never occurred were either undesignated or designated in the alternative to the next election in which the Candidate would participate if the 2010 Primary Election did not occur. RAD Management referenced the letter received from Mr. Josefiak and Mr. Bayes on behalf of the Committee, dated July 22, 2011, which stated their position that the specifically designated contributions spent before the date on which it became clear that the election

⁴ The Commission also approved OGC's recommendation that the Committee was permitted to apply any undesignated contributions received in connection with the anticipated Special Election toward the next election in which the Candidate planned to participate. The recommendation stated that the Committee was required to amend their reports to change the designations of contributions that were not designated by the contributors in writing but were previously disclosed as 2010 Special Election contributions on the reports. The Committee did not subsequently amend their reports to correct any designations.

would not occur did not need to be refunded. RAD Management explained that OGC and the Commission believe these contributions should have been refunded or redesignated within sixty (60) days of the date when it became clear that the election would not occur (Attachment 4).

On February 13, 2012, Mr. Bayes notified RAD Management that the Committee planned to seek a Commission determination on the outstanding legal question pursuant to the Policy Statement Regarding a Program for Requesting Consideration of Legal Questions by the Commission, issued as Notice 2011-11. Later that day, Mr. Josefiak provided updated contact information for Steven Hicks, the Committee Treasurer, to RAD Management (Attachment 4).

On February 15, 2012, the Committee submitted a Request for Consideration of Legal Question by Commission Pursuant to Notice 2011-11 which set forth the Committee's position (Attachment 5).

On April 10, 2012, the Commission voted to approve OGC's earlier recommendation in this matter, and subsequently informed the Committee of its decision.

To date, no further communications have been received from the Committee regarding this matter.
